

Hepatitis A Vaccine Recall

Fox Army Health Center has received information that certain lots of Hepatitis A vaccine were identified as being ineffective and need to be repeated. Please check your shot records. If you have received Lot # 0507L or Lot # 0716L of the Hepatitis A vaccine, which was dispensed from 14 October - 18 December 2001, please return to our Immunization Clinic for a repeat vaccination. If you are unable to determine if you have received this vaccine, or if you have any questions, please check with your Primary Care Manager at your **next regularly scheduled appointment**.

Hours of operation for the Immunization Clinic are: 7:30 – 11:30 and 1:00 to 3:30 Tuesday, Wednesday, and Friday (make an appointment by dialing 955-8888, Extension 1238)

Thank you!
